Announcement.

In this, our first volume of the City and Rural Route Directory of Ionia and vicinity, we wish to thank the business men who by their very liberal patronage have made this publication a success, also to the ladies who so kindly gave what information was necessary at the residences to the solicitors. Ionia has had a very wonderful and rapid growth the last three years. We find that Ionia, including Prairie Creek and South Ionia, has a population of 7684. This also includes West Main street to the Reformatory.

We wish to say, in conclusion, that we have endeavored to give Ionia a Directory that is second to none, having all the new features published in any City Directory, and if this book pleases you, kindly bear in mind we will be back to revise it when the business men think it necessary.

Respectfully,

WALTER & McKAY, Publishers.
